

Making minds happier. Inside and outside of work.

**"The Uprise Health program
has given me new direction and
purpose."**

- Uprise Health Member

The Uprise Health Employee Assistance Program (EAP) works with you to support your mental health for a happier, more resilient life.

Launching on

With your new benefits, you'll have access to:

- Self-guided video programs and courses
- A network of therapists to help you manage everyday stressors
- Robust library of 20k+ self-help articles, webinars, & educational materials on a variety of work-life topics
- Periodic webinars on current work-life and mental health topics
- And more!

Uprise Health's Digital EAP is offered at no additional cost to you and is available to you and your family members. Discover what's new and how the Uprise Health EAP can help support your emotional well-being.
